WCE HACKATHON 2024

<Code Create Conquer/>

Instructions for the Implementation Round

- The round will be of **24 hours** starting from 23rd March 2024, 11.40 AM to 24th March 2024, 11.40 AM.

- You have to initialize a **GitHub repository** with name same as your team name and submit the given **Google Form** - https://forms.gle/HRZGd9V7LCRAKENm7

- There is no limit for commits in your personal repository but make sure your commits will be **tracked**.

- At the time of Submission of your project, you have to clone your project with the **final commit** to the repository provided by the organizers.

- The **Judging Round** will start as soon as the Hackathon starts and will continue throughout the day.

- **Judging Parameters** - Creativity, Innovation, Prototype and Technical Quality, Potential Future Scope, Relevance, Collaboration and Teamwork.

- Instructions and timings for the **refreshments** will be conveyed by the organizers.

- After the round, we will be having **Prize Distribution Ceremony** on 24th March 2024, 5 PM at **Tilak Hall**.
